Re: **FOIA Request No. 1 Pertaining To The Shieldalloy Metallurgical  
Corporation Superfund Site, Newfield, New Jersey (EPA ID#  
NJD002365930) a/k/a Shieldalloy Corp or Shield Alloy Corp**

Dear Sir or Madam:

Pursuant to the Freedom of Information Act (FOIA), I hereby request production of any and all of the information identified on the attached Appendix A (including the Rider thereto) concerning the Shieldalloy Metallurgical Corporation Superfund Site, located in the Township of Newfield, the Counties of Gloucester and Cumberland, in the State of New Jersey, also bearing EPA ID# NJD002365930.

Please further note that the records being sought are *not* a SCORPIOS report for the above referenced site. Rather, the records being sought constitute the underlying information from which the summary contained in a SCORPIOS report would be or, in this case was, derived.

Please feel free to contact me if there are any questions or problems.

Very truly yours,

Marty M. Judge

Encls: Appendix A (including the Rider thereto)

Cc/ encls.: Dennis Shea, Esq.  
Marc Faecher, Esq.

# **APPENDIX A**

## **Shieldalloy Metallurgical Corporation Superfund Site FOIA Request**

### **1. EPA Regional and Headquarters Payroll Costs**

Time sheets, original time entries, billing records, or records of a similar nature, describing, explaining, documenting or otherwise detailing work performed by each of the present or former EPA or other United States governmental employees listed on the attached Rider to Appendix A.

### **2. EPA Regional and Headquarters Travel Costs**

Documentation regarding the purpose of each trip.

### **3. EPA Contractor Costs**

EPA identified and engaged the following contractors for the Site:

- CDM Federal Programs Corporation;
- Industrial Economics, Inc.;
- Integrated Support Systems;
- GRB Environmental Services, Inc.; and
- Ensoftek.

For each of the above contractors, please provide the following information:

- A statement of work or such other description of the work performed by each contractor;
- Site-specific invoices which indicate costs by type (e.g., labor, travel, subcontractors, indirect costs), or by activity;
- Timesheets to support each invoice; and
- Contracts, contract amendments, modifications and change orders.

### **4. Other Federal Agencies**

EPA engaged and/or consulted with the US Army Corps of Engineers and the US Department of the Interior, both of which invoiced/charged the project Site. Please provide the following information with respect to each of these agencies:

- A statement of work or such other description of the work performed by each agency;
- A description of the tasks performed, types and amounts of costs incurred, and other summary information to show that costs were incurred in connection with the Site;
- Site-specific invoices, which indicate costs by cost type (e.g., labor, travel, contractors, indirect costs) or by activity, and payment documentation; and
- Time sheets, original time entries, billing records, or records of a similar nature, describing, explaining, documenting or otherwise detailing work performed by government employees by pay period.

**5. Nuclear Regulatory Commission (“NRC”) and the New Jersey Department of Environmental Protection (“NJDEP”) Information/Communications**

Please provide copies of any and all email, correspondence, communications (written or electronic), documents, or reports exchanged between EPA on the one hand and the NRC or NJDEP on the other hand in any way relating to the presence of radiological material or radiological or non-radiological contamination at the Site.

Please also identify any meetings or telephone conferences between EPA and the NRC concerning the Site including the date, participants, purpose and subject matter of such meetings.

Please also identify any meetings or telephone conferences between EPA and the NJDEP concerning the Site including the date, participants, purpose and subject matter of such meetings.
